Living Stronger, Living Longer

## **MEDIA RELEASE: CHANGES TO LARRAKIA NATION BOARD MEMBERSHIP**

July 5, 2021

### **Farewell to outgoing directors**

Three long term members of our board resigned recently, leaving space for new leaders to rise to the challenge. We would like to take this opportunity to farewell the outgoing directors and acknowledge the skills, time and energy they contributed to Larrakia Nation.

We farewell:

- Member Director Nicole Brown
- Member Director Bilawara Lee
- Independent Director Anna Morgan
- Independent Director Rob Kendrick

### **Welcome incoming directors**

The calibre of the incoming members is reassuring at the time when LNAC is rapidly growing. As an Aboriginal corporation our board controls our corporation's business and given our history as well as plans for the future, it is paramount we have a strong, capable and agile board.

Making the decision to be on the board of an organisation like Larrakia Nation is not taken lightly by those who self-nominate. We appreciate the courage of our new members, and we welcome a new mix of skills to our board.

We welcome:

- Member Director Carol Quill
- Member Director Wayne Kurnoth
- Member Director John Rawnsley
- Independent Director Garrett Smith
- Independent Director Naomi Anstess

*L to R, top to bottom: Carol Quill, Wayne Kurnoth, John Rawnsley, Garrett Smith & Naomi Anstess.*

Our new directors join a group of committed and hardworking directors who have shown their support for and commitment to Larrakia Nation many times over. Chairperson and Member Director Richard Fejo, Member Director Jerome Cubillo, Member Director Bill Risk and Independent Director John Hender.
