ABOUT US:

Larrakia Nation Aboriginal Corporation (**LNAC**) is the peak advocacy and support agency for the Larrakia people, the Traditional Land Owners of the Greater Darwin area.

Initially established in 1998 to represent the native title interests of the Larrakia people, LNAC has since evolved into a **vital service delivery** organisation focussed on addressing the social, cultural and economic aspirations of the Larrakia people by initiating and administering programs, projects and services for the broader aboriginal community.

LNAC is a **not-for-profit** organisation. Our aim is to assist the indigenous people of the Northern Territory to **'Live Stronger, Live Longer'**

PROGRAM DETAILS:

Larrakia Rangers are funded through a mixture of grant funding and fee-for-service activities to undertake a variety of environmental monitoring and management activities on Larrakia traditional country.

Larrakia Rangers are substantially funded by the Indigenous Land Corporation.

The future of the program is based on a greater emphasis on fee-for-service activities, which will require a more commercially resilient structure.

Larrakia Rangers also have an important role in training community members interested in land and sea management using both traditional and modern ecological knowledge systems.
