***Paralpi* by Zaachariaha Fielding**

Paralpi extends Zaachariaha's acclaimed *Inma* series and reflects a deeply cultural and immersive narrative grounded in Country. The artwork depicts the sounds of *Paralpi*, a significant place just outside Mimili on the eastern APY Lands in South Australia. As Zaachariaha describes, *Paralpi* is a place where people come to embrace and celebrate children, where they are taught by Elders to move and mimic their Clan emblem — for Mimili, this being the maku (witchetty grub).
